**PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED PATENT  
APPLICATION UNDER 37 C.F.R. § 1.137(b)**

Sir:

Applicants hereby petition to revive the above-identified patent application under 37 C.F.R. § 1.137(b) which was abandoned by the U.S.P.T.O. on August 3, 2011.

Applicants are responding timely to the Advisory Action of February 16, 2011 and earlier final Office Action today, along with submitting payment of the proper extension fee and an RCE fee. Specifically, a Notice of Appeal was filed on January 28, 2011, which, given the two months deadline along with a five month extension fee request and payment, can be responded to up to and through Monday, August 29, 2011. Accordingly, Applicants are timely filing today their RCE and Amendment Submission and appropriate fees.

Accordingly, Applicants respectfully submit that there was no delay made between the due date for the reply until the filing of this petition; and, if a delay is determined, then Applicants respectfully submit that the entire delay in filing the required reply from the due date for the reply until the filing of this petition was unintentional.

A favorable decision on this Petition is respectfully requested.

No fee is believed due since the need for this Petition is due to a U.S.P.T.O. error. However, Applicants want to be sure that the application is

alive, and that payment of the extension fee and RCE are accepted so that Applicants' patent application can eventually issue into a U.S. Patent. Accordingly, please charge the petition fee amount under 37 C.F.R. 1.17(m), if required, and any other necessary fees, for filing this Petition to Revive under 37 C.F.R. §1.137(b) to **Deposit Account No. 11-0600**.

The Commissioner is hereby authorized to charge any additional fees and/or to credit any overpayment in connection with these papers transmitted herewith, to **Deposit Account No. 11-0600**.

Respectfully submitted,  
KENYON & KENYON LLP
